The Clerk asked members if the amount of £1248.00 could be added to the payments (Fee for Emptying of Dig Bins NSDC)

The annual subscription for NALC was also removed and would be brought to the next meeting for discussion.

It was **resolved** to accept and approve the financial information as per items 86.1– 86.3 and to authorise the schedule of payments (86.4) with the two amendments.

21/087 Planning Applications

To receive, and where appropriate comment on the following applications:

The Chair brought this item forward to allow the member of the public to comment

As the meeting has reached 9.20pm standing orders were suspended in order to continue with the meeting

Proposal:	Outline Planning Application (all Matters Reserved) for erection of 21 dwellings, entrance road and garages
Site Address:	Land Adjacent To Marriott Lane Blidworth
Planning Application Ref:	20/02114/OUTM

It was **resolved** to OBJECT based on the following:

Substandard Access and Highway Safety Impacts

Marriott Lane is unsuitable for any more vehicular traffic. There are no pavements beyond Cottage Close and 2-way traffic is difficult. It is used daily by pedestrians (with children) and horse-riders who access the nearby play-park, fields and bridleway.

Access onto the Main Road has poor visibility and is already difficult to enter/exit - Increased traffic will only exacerbate this, and pose a risk to road users, pedestrians and horse riders.

Consideration has not been given for the additional traffic entering the village due to other local developments that have been passed. Current traffic levels are already excessive, and we request that this is investigated and traffic surveys carried out before further developments are proposed.

Residential Amenity Impacts

The quality of life to residents would be reduced by building on this green space.

Ecological Impact

The area is a valued expanse of green space, with numerous varieties of wildlife and is historic to the Blidworth Conservation Area.

Impact of the Setting and appearance of the Blidworth Conservation Area

The landscape within the Conservation area would be lost, and potentially harm the character of the village.

Proposal:	Proposed two story industrial unit
Site Address:	Unit 3 Leach Way Blidworth NG21 0RU
Planning Application Ref:	20/02438/FUL

It was **resolved** to respond stating 'No Comments'

It was **resolved** to respond stating 'No Comments'

Proposal:	Extension to side of existing unit
Site Address:	Mb Service Centre Leach Way Blidworth NG21 0RU
Planning Application Ref:	21/00172/FUL

It was **resolved** to respond stating 'No Comments'

Proposal:	Proposed change of use of paddock to equestrian use, erection of a stable block, provision of hard standing and the formation of access and parking area
Site Address:	Land On The Corner Of New Lane And Cross Lane Blidworth
Planning Application Ref:	20/02109/FULM

It was **Resolved** to Object to this application on the grounds of:

There is an on-going issue in the area of temporary structures, stables and other buildings being erected that then become a permanent fixture.

A change of use should not be considered as we believe the land was advertised and sold as agricultural Agreeing to this proposal sets a precedent for other land owners An Office is shown on the plan, why would this be necessary for equestrian use?

Proposal:	Proposed two storey dwelling and felling of 2no. trees (re-submission of 20/01200/FUL)
Site Address:	Mccolls Mansfield Road Blidworth NG21 0RB
Planning Application Ref:	21/00263/FUL

It was **Resolved** to Object to this application with the same objections as before.

On the grounds that the site entrance/access (New Lane) is unsuitable for additional vehicles. It is narrow and cannot cope with the current amount of traffic using it. The site is presently, and historically been used for vehicle parking for shops on Mansfield Road and there is no provision for parking in the area.

Proposal:	Erection of 3 No. new stable blocks
Site Address:	Land Adjacent To Jesmondene Cottage Blidworth Bottoms Blidworth
