Dear Councillors,

Internal Audit on 2021/22 financial year.

I have been communicating with Clare following an examination of documents available on the website and their contents.

The internal audit was carried out remotely including a transaction check located to source documents, accounting entries, vat and bank payments. Clare was able to provide all of the information requested and some explanations concerning certain transactions

All of the Council's documentation is on its website that I found very clear, helpful and informative and you are to be commended on how it is structured and maintained.

There was good evidence that policies and systems are being reviewed regularly and the council's activities, projects, fixed asset registers, insurance and procedures have been well managed. The only note is that the Council did not hold an Annual Parish meeting in 2021 due to the covid restrictions.

In summary the Finances of the Council are being well managed. The Council and its staff should be commended for their support of the administrative role which Clare has carried out to her normal excellent standard

Yours sincerely,

Susan Stack
